2019-20 Employment Opportunities

Grace Christian School aspires to graduate students who are spiritually, academically, emotionally, socially and physically mature to the glory of God. Grace Christian School is a vibrant, private Christian co-educational school in Charlottetown (PEI), offering a dynamic 21st-century liberal arts curriculum from Junior Kindergarten through Grade 12. We develop high-capacity leaders, thinkers, and innovators for the future. Our learning environment is authentic and engaging, with a school culture that fosters mastery of learning, meaningful relationships, and global service. Due to the dramatic increase in enrollment from both local and international families, GCS is looking to fill the following positions for the 2019-20 school year:

Full-time Grade 6 Teacher for the 2019-20 school year. The candidate must

- have an active personal relationship with Christ,
- possess strong pedagogy,
- be familiar with teaching Language Arts, with a focus on writing and reading,
- possess a strong foundation in upper elementary mathematics,
- develop and apply differentiated teaching methods,
- be creative in curriculum development,
- have strong classroom management skills,
- be comfortable integrating 21st century technology and skills into curriculum, and
- embrace a team mentality and collaborate well with coworkers.

Other beneficial professional qualities include educational competencies in at least one of: middle school mathematics, French, physical education, technology literacy, or reading specializations.

Education Requirements: Bachelor of Education or ACSI Teaching Certificate (minimum)

Please submit a resume, personal testimony, and philosophy of Christian Education to principal@gcspei.ca

Full Time Middle School/High School Mathematics Teacher for the 2019-20 school year. The candidate must

- have an active personal relationship with Christ,
- possess strong pedagogy,
- possess a strong foundation in middle school and high school mathematics including calculus,
- develop and apply differentiated teaching methods,
- be creative in curriculum development,
- have strong classroom management skills,
- be comfortable integrating 21st century technology and skills into curriculum, and
