

LEAVING CLASS FUND

Each year, with support from the Advancement Office, parents and students of the graduating class are asked to participate in the Leaving Class Program.

GCS establishes a needs-based fund in honour of the graduating class, a fund that creates an enduring legacy and positive impact on the entire school community for generations to come.

STUDENT AWARDS & BURSARY FUND

Grace Christian School values the accessibility to an exceptional 21st century, Christ-centered education for all students. For this reason, GCS offers a number of financial aid incentives and programs and is committed to seeing that no student is turned away due to the cost of tuition or program fees.

We are actively seeking your support to ensure the long-term sustainability of this vital fund. With an increasing demand for our Bursary Fund, we need support more than ever to keep this commitment to current and future families.
