

ANDREWS HOCKEY ACADEMY

IN PARTNERSHIP WITH GRACE CHRISTIAN SCHOOL

In partnership with **Andrews Hockey Academy**, Grace Christian School allows student-athletes the opportunity to chase their hockey dreams without compromising their educational standards. This collaborative initiative aims to provide a comprehensive development platform that integrates high-quality education with elite-level hockey training, offering a unique opportunity for student-athletes to excel both on and off the ice.

Each day is structured with a combination of classroom learning sessions and personalized on/off-ice training, ensuring that student-athletes maintain a healthy balance between their academic studies and athletic pursuits.

TRAINING
SCHEDULE

“Both GCS and Andrews Hockey invest in their student-athletes because they want to see them thrive. Their high standards lead to better opportunities both on and off the ice” **Caden B. (Gr. 8)**

Despite their unique schedule, our student-athletes are very much a part of the fabric of Grace Christian School. Although the majority of their learning takes place alongside their peers, our Student Development Team of highly qualified and experienced educators work collaboratively with lead teachers to ensure that all core curriculum is mastered by our student-athletes throughout the school year. The effectiveness of the daily schedule provides student-athletes with more time in the evenings and weekends to focus on their hockey commitments, peer relationships, and family activities.
